1- Ultimate Cheer All-Stars

We are so proud of having welcomed 25 athletes for our first season! And to allow our program to grow even more we have made a few changes.

Here is what we have in stores for the 2017-2018 season:

- We welcome athletes from age 9 (girls and boys).
- We have a different practice venue
- We will focus more on the competitive side
- We will continue to train our coaches
- We will organise a cheer camp with some renowned international coaches
- We will celebrate our athletes' birthdays
- We remain affiliated to the BCF (Belgian Cheerleading Federation) and the ICU (International Cheer Union)

2- Team Placements

Division	Age	Number	Level
Junior	9 to 14	8 to 25 athletes	1
Senior	14 +	8 to 25 athletes	2 or 3

The different team divisions and their composition are set out by the International Cheer Union.

Athletes join teams according to their age and skill level.

We offer every athlete a spot on our teams!!

A spot on one of our teams does not guarantee being part of the competition teams. Coaches will decide on the competition teams' compositions based on attendance, motivation, level and involvement of athletes.

3-Practices

UCA teams will practice at the Centre Sportif de la Forêt de Soignes, Chaussée de Wavre 2057, 1160 Auderghem.

6- Registration Information

It is very simple to register and continue this adventure with us. All you have to do is fill out the pre-registration form and send it back to us, either by postal mail or by email.

To finalise the pre-registration, you are required to pay a pre-registration fee of 30€. That fee will be deducted from your registration fee due in October.

No pre-registration will be finalised until the pre-registration fee has been paid.

Practices will start on Sunday the 24th of September 2017.

You are invited to attend an information session on Sunday, 24th of September at 9am (in the practice gym) during which we will talk about the program and the year ahead.

If an athlete wishes to quit, UCA will reimburse the registration fee, minus 75€ (cost of the licence, insurance and practice wear already incurred) if the athlete sends a written request before the end of October.
